

## Reference for Capt. Alistair Bendall

Monaco, June 30<sup>th</sup> 2008

To Whom it may concern,

As Managers of the 38m yacht ABROUQ, until she was sold in December 2007, we can confirm that Alistair Bendall was employed in the capacity of Captain aboard this vessel from March 8th 2007 until December 11<sup>th</sup> 2008.

Throughout our working relationship with Alistair we have found him to be reliable, trustworthy and hard working, both when the Owner was on board and during the sale when the yacht had to be kept in excellent condition and ready for presentation to potential clients at all times.

We would highly recommend Alistair to any potential employer I hope to work with him again in the future and remain available to assist with any further reference that may be required.

Yours faithfully,
