

## Reference for Capt. Alistair Bendall

Monaco, June 30<sup>th</sup> 2008

To Whom it may concern,

As Managers of the 180ft yacht AL SHOUA we can confirm that Alistair Bendall was employed in the capacity of Captain aboard this vessel from March 21<sup>st</sup> to June 7<sup>th</sup> 2008.

Captain Alistair took command of AL SHOUA whilst she was in the shipyard undergoing the final stages of her construction before being Delivered to her new Owners. Alistair worked very closely with the shipyard, coordinating and overseeing crucial stages of the refit, whilst also recruiting and training a full new crew for this vessel. Alistair's presence and assistance throughout this shipyard period was extremely valuable.

We would highly recommend Alistair to any potential employer I hope to work with him again in the future and remain available to assist with any further reference that may be required.

Yours faithfully,
