

Letter of Recommendation

Alistair Bendall
M/Y Paladin Shadow II

30th June 2008

To Whom It May Concern:

I have had the pleasure of working with Mr Alistair Bendall during the refitting of the Shadow Vessel "Paladin Shadow II" from March till the end of May 2008.

I have found Alistair to be very keen to learn and always willing to take the time required to complete the task at hand.

Alistair is new to this size of vessel and has applied the effort where necessary to understand and learn the new tasks and skills that a 50+ meter vessel requires.

Alistair is very easy going and a pleasure to work with.

I would have no problem recommending Mr Bendall for a position at sea or ashore. I wish Alistair all the best in the future where ever that may take him.
