To Whom It May Concern:

Mr. Alistair Bendall served as Chief Officer on board the companies yacht from 11<sup>th</sup> December 2006 until the above date.

*Lady Marina* is a 64 metre, 1279 g.r.t. private yacht and carries a crew of 18.

Alistair joined *Lady Marina* in a temporary capacity until I could find a permanent Chief Officer. With his wide range of skills and experience he quickly took charge of managing the deck crew and the winter maintenance program. He is a hands on officer and a good teacher and was well liked by all the crew. I felt confident leaving him in charge whilst I was away on vacation in the knowledge that the safety and smooth running of the vessel was in good hands.

As we have now found a permanent First Officer, Alistair now leaves our employment. I wish him well and would not hesitate to employ him again.

Yours faithfully

  
Malcolm Jacobine  
Captain
